National Craft Assessment and Certification Program

Performance Verification Overview

Supervisor*
PVSUPER47_02

Focus Statement
The supervisor sets the goals and action plans for the foremen or crews; performs long-term planning, and supports and evaluates the plans once they are in place. The supervisor coordinates work with the different trades, and participates in project planning meetings with the project manager and/or general contractor and the different trades. The supervisor is responsible for quality control and ensuring safety on the project. The supervisor manages the budget of the job and manages and coordinates material quantities and deliveries.
