HEAVY EQUIPMENT OPERATOR: BACKHOE
AEN22BACKH02
February 2018

Focus Statement
A backhoe operator masters all concepts and procedures involved in the operation of backhoes. This includes basic daily preventive maintenance, safety checking, and control of the machine. He/she identifies attachments and uses the backhoe to perform the appropriate work-related tasks.

Overview
- Two-hour closed-book examination
- May use a basic function, non-printing calculator
- No extra papers, books, notes or study materials are allowed
- The minimum passing score is 75
- A Performance Verification is available

Study Materials
All NCCER written assessments are referenced to NCCER’s curriculum listed in the content. You may order modules from Pearson (800.922.0579) or from NCCER’s Online Catalog at www.nccer.org.

Assessment Development
All questions are developed and approved by subject matter experts under the direction of NCCER and Prov™, NCCER’s testing partner.

Credentials
NCCER will send appropriate credentials to the assessment center for successful completions.

Training Prescription Reports
Each candidate will have access to individual results of the written assessment from Prov’s website at www.provexam.com.

National Registry
Assessment results will be maintained in NCCER’s National Registry and become a portable record of the candidate’s training and assessment achievements.
