HARD HAT HEROES: CREDENTIALING PORTAL

Allows veterans to receive NCCER credit for skills and training received while in the service.

Overview:

- Consists of alignments from the following:
 - Army
 - Navy
 - Air Force
 - Marines
- Aligns directly with NCCER craft training
- Displays NCCER crafts, levels and modules that align to specific military specialties
- Assists hiring managers in skill identification and training preparation

All alignments were developed with military trainers and industry representatives. More alignments to be released throughout the year.

Additional Training:

Free NCCER online Core Curriculum can be requested individually or provided to organizations that train veterans.
