HOW TO ACCESS ASSESSMENT SPECIFICATION SHEETS

Assessment Specification Sheets provide details of the Assessment as well as important details needed for the instructor and/or proctor. They include, Study Material, Credentials, if applicable, Training Prescription explanation, result storage and Focus Statement. There is also a breakdown of the assessment by module as well as the cut score and if a Performance Verification is also required.

1. Navigate to www.nccer.org
2. Click the Program Resources menu
3. Select Crafts/Titles > (subject area)
4. Click the Assessment Title or book cover
5. Scroll down the page to the Assessments section
6. Click the hyperlink to access your choice from the Assessment Titles listed after the Assessments section.
