1. Sign into NCCER’s Single Sign-On.

2. From Quick Links select Online Courses.

3. Select Course Catalog from the top of the screen.

4. Select the appropriate course:
   - Registry System Training for Primary or Secondary Administrator
   - Registry System Training for Assessment Site Locations
   - Registry Training for Sponsor Representatives or Secondary Representatives
   - Registry Training for Training Site Locations

5. Select the Go to course button.

6. After reading through the course overview, click on the Enroll me button.

7. The course is now available to access in the Current Learning section. If you want to enroll for another course, follow steps 3-6.
