Module Number: 26302-20 has no Performance Profile Sheet; performance testing is not required for this module.
Performance Profile Sheet

Craft: Electrical Level Three
Module: 26303-20
Module Title: Practical Applications of Lighting

TRAINEE NAME: __________________________________________________
TRAINING PROGRAM SPONSOR: ____________________________________
INSTRUCTOR: ____________________________________________________

Rating Levels:
(1) Passed: performed task
(2) Failed: did not perform task
Be sure to list the date the testing for each task was completed.

Recognition:
When testing for the NCCER Training Program, record performance testing results and submit them to your Training Program Sponsor through the Registry System.
