

**27101 has no Performance Profile Sheet;
no performance testing is required for this module.**

Performance Profile Sheet

NCCER Training

Craft: **Carpentry Level 1, 6th Ed.**

Module: **27102**

Module Title: **Building Materials and Fasteners**

TRAINEE NAME: _____

TRAINING PROGRAM SPONSOR: _____

INSTRUCTOR: _____

Rating Levels: (P) Passed: performed task (F) Failed: did not perform task
Be sure to list the date the testing for each task was completed.

Recognition: When testing for the NCCER Training Program, record performance testing results and submit them to your Training Program Sponsor through the Registry System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
2	Given a selection of building materials, identify a particular material and describe its use.				
2	Calculate building material quantities using the described methods.				
4	Demonstrate safe and proper installation of various types of fasteners, anchors, and adhesives.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form in the space provided.

Signatures:

I, the undersigned, acknowledge the successful completion of the above performance task(s) under the supervision of an NCCER certified Performance Evaluator.

Candidate/Trainee: _____ Date: _____

Performance Evaluator: _____ Date: _____

Performance Profile Sheet

NCCER Training

Craft: **Carpentry Level 1, 6th Ed.**

Module: **27113**

Module Title: **Construction Plans and Documents**

TRAINEE NAME: _____

TRAINING PROGRAM
SPONSOR: _____

INSTRUCTOR: _____

Rating Levels: (P) Passed: performed task (F) Failed: did not perform task
Be sure to list the date the testing for each task was completed.

Recognition: When testing for the NCCER Training Program, record performance testing results and submit them to your Training Program Sponsor through the Registry System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Read and interpret construction plan drawings.				
1	Read and interpret schedules.				
3	Read and interpret written specifications.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form in the space provided.

Signatures:

I, the undersigned, acknowledge the successful completion of the above performance task(s) under the supervision of an NCCER certified Performance Evaluator.

Candidate/Trainee: _____ Date: _____

Performance Evaluator: _____ Date: _____

Performance Profile Sheet

NCCER Training

Craft: **Carpentry Level 1, 6th Ed.**

Module: **27114**

Module Title: **Principles of Site and Building Layout**

TRAINEE NAME: _____

TRAINING PROGRAM SPONSOR: _____

INSTRUCTOR: _____

Rating Levels: (P) Passed: performed task (F) Failed: did not perform task
Be sure to list the date the testing for each task was completed.

Recognition: When testing for the NCCER Training Program, record performance testing results and submit them to your Training Program Sponsor through the Registry System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
3	Demonstrate the ability to use common measuring and leveling tools.				
3	Use a water level, builder's level, laser level, or transit level to determine elevations and angles.				
4	Use the 3-4-5 rule or Pythagorean Theorem to verify that intersecting walls are square.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form in the space provided.

Signatures:

I, the undersigned, acknowledge the successful completion of the above performance task(s) under the supervision of an NCCER certified Performance Evaluator.

Candidate/Trainee: _____ Date: _____

Performance Evaluator: _____ Date: _____

Performance Profile Sheet

NCCER Training

Craft: **Carpentry Level 1, 6th Ed.**

Module: **27105**

Module Title: **Floor Systems**

TRAINEE NAME: _____

TRAINING PROGRAM
SPONSOR: _____

INSTRUCTOR: _____

Rating Levels: (P) Passed: performed task (F) Failed: did not perform task
Be sure to list the date the testing for each task was completed.

Recognition: When testing for the NCCER Training Program, record performance testing results and submit them to your Training Program Sponsor through the Registry System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
3	Estimate the amount of material needed to frame a floor assembly from a set of plans.				
4	Lay out and construct a floor assembly, including a rough opening and subfloor material.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form in the space provided.

Signatures:

I, the undersigned, acknowledge the successful completion of the above performance task(s) under the supervision of an NCCER certified Performance Evaluator.

Candidate/Trainee: _____ Date: _____

Performance Evaluator: _____ Date: _____

Module Title: **Wall Systems**

TRAINEE NAME: _____

TRAINING PROGRAM
SPONSOR: _____

INSTRUCTOR: _____

Rating Levels: (P) Passed: performed task (F) Failed: did not perform task
Be sure to list the date the testing for each task was completed.

Recognition: When testing for the NCCER Training Program, record performance testing results and submit them to your Training Program Sponsor through the Registry System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Estimate materials required to frame walls.				
2	Lay out a wood frame wall, including plates, corner assemblies, door and window openings, partition Ts, bracing, and fireblocking.				
3	Assemble and erect a wood frame wall, including plates, corner assemblies, door and window openings, partition Ts, bracing, and fireblocking.				
3	Correctly install sheathing on a wall.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form in the space provided.

Signatures:

I, the undersigned, acknowledge the successful completion of the above performance task(s) under the supervision of an NCCER certified Performance Evaluator.

Candidate/Trainee: _____ Date: _____

Module Title: **Roof Framing**

TRAINEE NAME: _____

TRAINING PROGRAM
SPONSOR: _____

INSTRUCTOR: _____

Rating Levels: (P) Passed: performed task (F) Failed: did not perform task
Be sure to list the date the testing for each task was completed.

Recognition: When testing for the NCCER Training Program, record performance testing results and submit them to your Training Program Sponsor through the Registry System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Lay out ceiling joists.				
1	Estimate the number of ceiling joists required for a building.				
3	Lay out common roof rafters.				
4	Cut and install roof rafters for a gable roof.				
4	Frame a gable endwall.				
4	Erect a gable roof using trusses.				
4	Sheath a gable roof with an opening.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form in the space provided.

Signatures:

I, the undersigned, acknowledge the successful completion of the above performance task(s) under the supervision of an NCCER certified Performance Evaluator.
