# Performance Profile Sheet

Craft: Industrial Maintenance Mechanic Level One, 3rd Ed.

Module: 32102-07

Module Title: Tools of the Trade

TRAINEE NAME: \_\_\_\_\_

TRAINING PROGRAM SPONSOR: \_\_\_\_\_

INSTRUCTOR: \_\_\_\_\_

## Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

## Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

| OBJECTIVE | TASK  | RATING | DATE | START TIME | END TIME |
|-----------|---|--------|------|------------|----------|
| 3         | Correctly use a pipe vise.  |        |      |            |          |
| 3         | Correctly use a pipe threading machine.   |        |      |            |          |
| 3         | Correctly use a cut-off machine.  |        |      |            |          |
| 3         | Correctly use a portable power drive.   |        |      |            |          |
| 2, 3      | Demonstrate inspection and basic maintenance of tools chosen by the instructor. |        |      |            |          |

Be sure to list the date the testing for each task was completed.

## Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

| OBJECTIVE | TASK   | RATING | DATE | START TIME | END TIME |
|-----------|--|--------|------|------------|----------|
| 2         | Perform a safety inspection on hooks, slings, and other rigging equipment. |        |      |            |          |
| 3         | Select, inspect, and use special rigging equipment, including:             |        |      |            |          |
|           | • Block and tackle   |        |      |            |          |
|           | • Chain hoists   |        |      |            |          |
|           | • Come-alongs  |        |      |            |          |
|           | • Jacks  |        |      |            |          |
|           | • Tuggers  |        |      |            |          |
| 4         | Tie knots used in rigging.   |        |      |            |          |
| 6         | Determine the center of gravity of a load.                                 |        |      |            |          |
| 3         | Properly attach rigging hardware for routine lifts.                        |        |      |            |          |
| 5         | Use and interpret hand signals.  |        |      |            |          |
| 1         | Perform sling tension calculations.  |        |      |            |          |
