

Performance Profile Sheet

Craft: Instrumentation Level One, 3rd Ed.

Module: 12115-14

Module Title: Instrumentation Safety Practices

TRAINEE NAME: _____

TRAINING PROGRAM SPONSOR: _____

INSTRUCTOR: _____

Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Complete a shock hazard analysis based on an activity assigned by the instructor.				
2	Complete a lockout procedure for an electrical and/or non-electrical energy source(s).				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Signatures:

I understand and acknowledge that, by my signature below, I am confirming that I personally performed all tasks listed on this Performance Profile in the presence of the above-named Performance Evaluator. I understand that any and/or all of my NCCER credentials/certifications may be subject to revocation if it is subsequently determined that this Performance Profile was not delivered in accordance with NCCER Guidelines.

Candidate/Trainee: _____ Date: _____

I understand and acknowledge that, by my signature below, I am confirming that I personally observed the above-named trainee successfully complete all the tasks listed on this Performance Profile in accordance with applicable policies and procedures set forth in the current edition of the NCCER Accreditation Guidelines and Program Compliance (“NCCER Guidelines”). I understand that any and/or all of my NCCER credentials/certifications may be subject to revocation if it is subsequently determined that this Performance Profile was not delivered in accordance with NCCER Guidelines.

Performance Evaluator: _____ Date: _____

Module: 12114-14

Module Title: Hand and Power Tools for Instrumentation

TRAINEE NAME: _____

TRAINING PROGRAM SPONSOR: _____

INSTRUCTOR: _____

Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
3	Select and safely use six of the following instructor-selected hand and power tools, such as: Extractors; yoke or chain pipe vises; snips; knockout punches; conduit benders, cutters, or reamers; power hammer drills or rotary hammers; soldering irons or irons; hydraulic knockout punches; fish tapes; angle finders; and rodding-out tool.				
1	Drill and tap a hole.				
1	Thread a rod using a die.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Signatures:

I understand and acknowledge that, by my signature below, I am confirming that I personally performed all tasks listed on this Performance Profile in the presence of the above-named Performance Evaluator. I understand that any and/or all of my NCCER credentials/certifications may be subject to revocation if it is subsequently determined that this Performance Profile was not delivered in accordance with NCCER Guidelines.

Candidate/Trainee: _____ Date: _____

I understand and acknowledge that, by my signature below, I am confirming that I personally observed the above-named trainee successfully complete all the tasks listed on this Performance Profile in accordance with applicable policies and procedures set forth in the current edition of the NCCER Accreditation Guidelines and Program Compliance (“NCCER Guidelines”). I understand that any and/or all of my NCCER credentials/certifications may be subject to revocation if it is subsequently determined that this Performance Profile was not delivered in accordance with NCCER Guidelines.

Module Title: Instrument Drawings and Documents, Part One

TRAINEE NAME: _____

TRAINING PROGRAM SPONSOR: _____

INSTRUCTOR: _____

Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Identify and describe the purpose of at least three instructor-specified drawings and documents used in instrumentation work.				
2	Identify and interpret at least ten instructor-supplied symbols and/or markings commonly found on instrumentation drawings.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Signatures:

I understand and acknowledge that, by my signature below, I am confirming that I personally performed all tasks listed on this Performance Profile in the presence of the above-named Performance Evaluator. I understand that any and/or all of my NCCER credentials/certifications may be subject to revocation if it is subsequently determined that this Performance Profile was not delivered in accordance with NCCER Guidelines.

Candidate/Trainee: _____ Date: _____

I understand and acknowledge that, by my signature below, I am confirming that I personally observed the above-named trainee successfully complete all the tasks listed on this Performance Profile in accordance with applicable policies and procedures set forth in the current edition of the NCCER Accreditation Guidelines and Program Compliance (“NCCER Guidelines”). INSTRUCTOR: _____

Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Inspect a carton or container for damage.				
1	Inspect an instrumentation item for physical damage and compliance to a purchase order.				
2	Select the proper category for storage of an instrumentation item.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Signatures:

I understand and acknowledge that, by my signature below, I am confirming that I personally performed all tasks listed on this Performance Profile in the presence of the above-named Performance Evaluator. (F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	From a selection of threaded fasteners, select the correct fastener(s) for one or more instructor-specified applications.				
1	Drill a hole and install a toggle bolt.				
1	Install a nut and bolt and torque to an instructor-specified value.				
2	From a selection of non-threaded fasteners, select the correct fastener for one or more instructor-specified applications.				
2	Install a blind rivet using a rivet gun.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Correctly select and install one or more instructor-specified gasket types.				
2	Correctly select and install an O-ring.				
2	Identify the correct packing material for an instructor-specified valve.				
2	Remove an existing packing and install a new packing.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1, 2, 3	Choose the correct product for an instructor-specified application(s), including items from these categories:				
	• Lubricant				
	• Sealant				
	• Cleaner				
3	Identify the specific precautions of a given product from an instructor-provided MSDS or SDS.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Signatures:

I understand and acknowledge that, by my signature below, I am confirming that I personally performed all tasks listed on this Performance Profile in the presence of the above-named Performance Evaluator.
