

Performance Profile Sheet

Craft: Pipefitting Level Three, 3rd Ed.

Module: 08301-07

Module Title: Rigging Equipment

TRAINEE NAME: _____

TRAINING PROGRAM SPONSOR: _____

INSTRUCTOR: _____

Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
2	Perform a safety inspection on hooks, slings, and other rigging equipment.				
5	Select, inspect, use, and maintain special rigging equipment, including.				
	• Block and tackle				
	• Chain hoists				
	• Come-alongs				
	• Jacks				
	• Tuggers				
6	Tie knots used in rigging.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Signatures:

I understand and acknowledge that, by my signature below, I am confirming that I personally performed all tasks listed on this Performance Profile in the presence of the above-named Performance Evaluator. I understand that any and/or all of my NCCER credentials/certifications may be subject to revocation if it is subsequently determined that this Performance Profile was not delivered in accordance with NCCER Guidelines.

Candidate/Trainee: _____ Date: _____

I understand and acknowledge that, by my signature below, I am confirming that I personally observed the above-named trainee successfully complete all the tasks listed on this Performance Profile in accordance with applicable policies and procedures set forth in the current edition of the NCCER Accreditation Guidelines and Program Compliance (“NCCER Guidelines”). I understand that any and/or all of my NCCER credentials/certifications may be subject to revocation if it is subsequently determined that this Performance Profile was not delivered in accordance with NCCER Guidelines.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
2	Identify the following types of flanges:				
	• Weld neck				
	• Slip-on				
	• Blind				
	• Socket weld				
	• Threaded				
	• Lap-joint				
	• Cast iron				
3	Identify types of gaskets.				
4	Identify types of flange bolts.				
6	Install flanged piping systems.				
7	Lay out floor penetrations.				
8	Read spool sheets.				
4	Lay out and fabricate a gasket.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Module Title: Pipe Hangers and Supports

TRAINEE NAME: _____

TRAINING PROGRAM SPONSOR: _____

INSTRUCTOR: _____

Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Identify types of pipe hangers.				
1	Identify types of connecting units and attachments.				
1	Identify types of pipe supports.				
2	Read and interpret pipe support drawing and symbols.				
4	Install non-expanding concrete fasteners.				
4	Install expanding concrete fasteners.				
1, 3	Install toggle bolts.				
5	Lay out and mark the cut lines required to fabricate a one-piece, 45-degree angle iron bracket.				
5	Lay out and mark the cut lines required to fabricate a one-piece, 30- by 60-degree angle iron bracket.				
6	Identify spring can support types.				
6, 7, 8	Read and interpret spring can support detail sheets.				
10	Install spring can supports.				
11	Remove the travel stops from a spring can support.				

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
11	Adjust a spring can support to the cold position.				

Please make sure that both the Candidate/Trainee and Performance Evaluator sign and date this form on the signature lines to follow.

Module Title: Testing Piping Systems and Equipment

TRAINEE NAME: _____

TRAINING PROGRAM SPONSOR: _____

INSTRUCTOR: _____

Rating Levels:

(P) Passed: performed task

(F) Failed: did not perform task

Be sure to list the date the testing for each task was completed.

Recognition:

When testing for the NCCER Training Program, record performance testing results and submit completion dates through NCCER's online Testing System.

OBJECTIVE	TASK	RATING	DATE	START TIME	END TIME
1	Identify the details about a piping system that you can obtain from a piping drawing.				
1	Perform a pretest field inspection, using a punchlist.				
2	Perform a service test, and check for leaks.				
2	Perform a flow test, and check for leaks.				
3	Install pneumatic test plugs in a pipeline.				
3	Install mechanical test plugs in a pipeline.				
3	Perform a head pressure test, and check for leaks.				
4	Install a slip blind in a system.				
4	Prepare a system for a hydrostatic test.				
4	Explain how to perform a hydrostatic test on a piping system or spool.
