

**National Craft Assessment and Certification Program  
Performance Verification Overview**

**Heavy Equipment Operator: Dozer  
PEN22DOZER02**

**Focus Statement**

A dozer operator masters all concepts and procedures involved in the operation of dozers. This includes basic daily preventive maintenance, safety checking, and control of the machine. He/she identifies attachments and uses the dozer to perform the appropriate work related tasks.

**Performance Verification Task Reference:**

<b>Module Number</b>	<b>Module Name</b>
22302-14	Dozers

**Time Required:** 7 hrs

**Materials/Equipment**

All materials and equipment will be provided during the performance verification, unless otherwise specified by the testing center.

**Study Material**

All NCCER performance verifications are referenced to the NCCER curriculum listed in the content. You may order modules from Pearson (800.922.0579) or from NCCER's Online Catalog at [www.nccer.org](http://www.nccer.org).

**Development**

All performance verifications have been developed and approved by subject matter experts from the respective craft.

**Credentials**

NCCER will send appropriate credentials to the assessment center upon successful completion of the performance verification.

**Certified Plus**

A Certified Plus Designation may be achieved using this performance verification.

**National Registry**

Assessment and performance verification results will be maintained in NCCER's National Registry and become a part of each candidate's training records. These records are stored and become a portable record of the candidate's training and assessment achievements.
