Total Hours					347.5	352.5		

- = Lock-Down Module
- = New Module
- = No Performance Test
- = Equivalent Module
- = Deleted
- = Equipment Specific Credential

Definitions:

Lock-Down Module: A module adopted 'as is' from another craft or an earlier edition of the same curriculum.

Equivalent Module: A module whose learning and performance outcomes match those of the newer edition's and is therefore considered 'equivalent' in NCCER's Registry.
