INDUSTRIAL COATING AND LINING APPLICATION SPECIALIST LEVEL 1 (COATONE69)

Released February 2010

Overview

This knowledge assessment is a two-hour closed-book examination. You will be permitted to use a basic function, non-printing calculator during the examination. No extra papers, books, notes or study material are allowed in the testing area.

NCCER Curriculum

All NCCER knowledge assessments are referenced to NCCER's curriculum modules as listed on this specification sheet. You may order modules from Pearson (800.922.0579) or from NCCER's Online Catalog at www.nccer.org.

Assessment Development

All questions are developed and approved by subject matter experts under the direction of NCCER.

Credentials

Upon successful completion of the knowledge assessment, NCCER will send applicable credentials to the assessment center.

Score Report and Training Prescription

Each candidate will have access to their assessment results including their overall score and recommended training.

NCCER Registry

Knowledge assessment results are recorded in NCCER's Registry and become a part of the portable record of an individual's NCCER credentials.

Focus Statement

The Industrial Coating and Lining Application Specialist Level 1 engages in surface preparation and application of protective coatings and linings to steel and concrete surfaces of complex industrial structures. The Level I Application Specialist performs all duties under the supervision of a Level II Application Specialist. The Level I Application Specialist performs basic surface preparation and coating applications in a safe manner according to industry regulations.
