INDUSTRIAL COATING AND LINING APPLICATION SPECIALIST LEVEL 2
COATTWO69

September 2011

Focus Statement

The Industrial Coating and Lining Application Specialist Level Two independently engages in surface preparation and application of protective coatings and linings to steel, concrete, and other surfaces of complex industrial structures. This Specialist is qualified to perform requisite testing of completed surface preparation and coating work. The Level Two Application Specialist performs the full range of surface preparation and coating applications in a safe manner according to industry regulations and supervises Level One Specialists in these duties.

Overview

- Two-hour closed-book examination
- May use a basic function, non-printing calculator
- No extra papers, books, notes or study materials are allowed
- The minimum passing score is 75
- A corresponding hands-on Performance Verification is available

NCCER Curriculum

All NCCER knowledge assessments are referenced to NCCER's curriculum modules as listed on this specification sheet. You may order modules from Pearson (800.922.0579) or from NCCER's Online Catalog at www.nccer.org.

Assessment Development

All questions are developed and approved by subject matter experts under the direction of NCCER.

Credentials

Upon successful completion of the knowledge assessment, NCCER will send applicable credentials to the assessment center.

Score Report and Training Prescription

Each candidate will have access to their assessment results including their overall score and recommended training.

NCCER Registry

Knowledge assessment results are recorded in NCCER's Registry and become a part of the portable record of an individual's NCCER credentials.

Knowledge Assessment Contents:

Module Number	Topic Area	Number of Questions
69201-10	Industrial Coating Safety	8
69202-10	Corrosion Protection	4
69203-10	Work Planning and Quality Control	8
69204-10	Containment	8
69205-10	Surface Preparation Two	16
69206-10	Industrial Coatings Two	16
69207-10	Coating Applications Two	20
Total Number of Questions		80
