INDUSTRIAL CARPENTER V4
CARP27_04
Released June 2013

Focus Statement
An industrial carpenter erects concrete forms, plumb, level and to grade; places embeds; rigs large formwork; has a working knowledge of earthworks and reinforcement, may operate equipment needed to place concrete; reads and interprets construction drawings and operates measuring instruments.

Overview
- Two-hour closed-book examination
- May use a basic function, non-printing calculator
- No extra papers, books, notes or study materials are allowed
- The minimum passing score is 75
- A Performance Verification is available

Study Materials
All NCCER written assessments are referenced to NCCER’s curriculum listed in the content. You may order modules from Pearson (1.800.922.0579) or from NCCER’s Online Catalog at www.nccer.org

Assessment Development
All questions are developed and approved by subject matter experts under the direction of NCCER and Prov™, NCCER’s testing partner.

Credentials
NCCER will send appropriate credentials to the assessment center for successful completions.

Training Prescription Reports
Each candidate will have access to individual results of the written assessment from Prov’s website at www.provexam.com.

Registry
Assessment results will be maintained in NCCER’s Registry and become a portable record of the candidate’s training and assessment achievements.
