Weatherization Crew Chief	English	1	2	2011	---	Active	

Craft Expirations

Expiration dates highlighted in yellow will expire in 2027. Expiration dates highlighted in orange will expire in 2028.

Per NCCER's craft expiration policy, when a new edition of a curriculum is published, the previous edition of that title expires three years after the final level of the newest edition is released.

Title	Language	Edition	Level	Release Date	Expiration Date	Status	Comments
