Focus Statement
A forklift operator will identify different types of forklifts and their applications on construction sites. He/she will master procedures for lifting, transporting, and placing various types of loads. He/she will also know the duties and responsibilities of operators, as well as safety rules, and operator preventive maintenance duties.

Minimum passing score is 75.

Performance Verification
A corresponding hands-on Performance Verification is available.

NCCER Curriculum
All NCCER knowledge assessments are referenced to NCCER’s curriculum modules as listed on this specification sheet. You may order books and modules from Pearson by visiting www.nccer.org/order-books-modules/.

Overview
- Two-hour closed-book examination
- May use a basic function, non-printing calculator
- No extra papers, books, notes or study materials are allowed

Minimum passing score is 75.

Performance Verification
A corresponding hands-on Performance Verification is available.
