National Center for Construction

## Heavy Equipment Operator: Compaction Equipment (Roller) AEN22ROLLER03 <br> Updated February 2024

## Focus Statement

A compaction equipment operator masters all concepts and procedures involved in the operation of compaction equipment. This includes basic daily preventive maintenance, safety checking, and control of the machine. $\mathrm{He} /$ she uses the compaction equipment to perform the appropriate work-related tasks.

## Overview

- Two-hour closed-book examination
- May use a basic function, non-printing calculator
- No extra papers, books, notes or study materials are allowed

Minimum passing score is 75.

## Performance Verification

A corresponding hands-on Performance Verification is available.

## NCCER Curriculum

All NCCER knowledge assessments are referenced to NCCER's curriculum modules as listed on this specification sheet. This assessment is referenced to NCCER's 3rd edition of the Heavy Equipment Operations curriculum. You may order books and modules from Pearson by visiting www.nccer.org/order-books-modules/.

## Assessment Development

All questions are developed and approved by subject matter experts under the direction of NCCER.

## Credentials

Upon successful completion of the knowledge assessment or performance verification, credentials can be viewed and printed by the individual or assessment program through their NCCER Account.

## Score Report and Training Prescription

Each candidate will have online access to their assessment results including their overall score and recommended training through their NCCER Account.
