

Carpentry Level One Test for Instructors

6th Edition

Updated March 2024

Focus Statement

This test covers the competencies and objectives contained in Level 1 of NCCER's Carpentry (Edition 6) curriculum.

Overview

- Three-hour closed-book examination.
- May use a basic function, non-printing calculator. The NCCER Testing System has a built-in basic function calculator as part of the test features.
- No extra papers, books, notes or study materials are allowed.

Minimum passing score is 70.

NCCER Curriculum

All NCCER knowledge assessments are referenced to NCCER's curriculum modules as listed on this specification sheet. You may order books and modules from Pearson by visiting www.nccer.org/order-books-modules/.

Test Development

All questions are developed and approved by subject matter experts under the direction of NCCER.

Score Report and Training Prescription

Each candidate will have online access to their test results including their overall score and recommended training through their NCCER Account.
