

Core Level Test
6th Edition
Updated March 2024

Focus Statement

This test covers the competencies and objectives contained in NCCER’s Core (Edition 6) curriculum.

Overview

- Three-hour closed-book examination.
- May use a basic function, non-printing calculator. The NCCER Testing System has a built-in basic function calculator as part of the test features.
- No extra papers, books, notes or study materials are allowed.
- Corresponding hands-on Performance Profiles are available as indicated below

Minimum passing score is 70.

NCCER Curriculum

All NCCER knowledge assessments are referenced to NCCER’s curriculum modules as listed on this specification sheet. You may order books and modules from Pearson by visiting www.nccer.org/order-books-modules/.

Test Development

All questions are developed and approved by subject matter experts under the direction of NCCER.

Credentials

Upon successful completion of the Core level test and all corresponding performance profiles, credentials can be viewed and printed by the individual or training program through their NCCER Account.

Score Report and Training Prescription

Each candidate will have online access to their assessment results including their overall score and recommended training through their NCCER Account.
