Total Number of Items

97

NCCER Curriculum

All NCCER knowledge assessments are referenced to NCCER's curriculum modules as listed on this specification sheet. You may order books and modules from Pearson by visiting www.nccer.org/order-books-modules/.

Test Development

All questions are developed and approved by subject matter experts under the direction of NCCER.

Credentials

Upon successful completion of the HVAC level test and all corresponding performance profiles, credentials can be viewed and printed by the individual or training program through their NCCER Account.

Score Report and Training Prescription

Each candidate will have online access to their test results including their overall score and recommended training through their NCCER Account.
